

Secrets of finance superheroes revealed

90% of surveyed finance executives want to drive value and enterprise growth—yet fewer than 12% are achieving it.

What sets these superheroes apart?

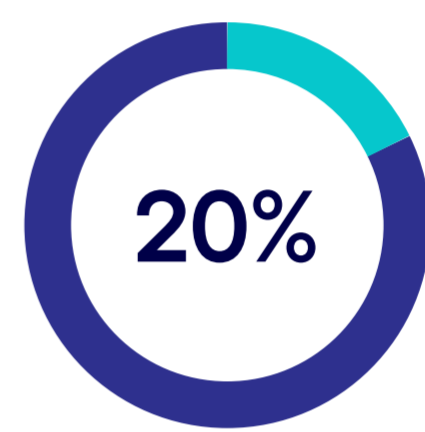

Superhero finance and accounting teams have an intuitive edge fueled by tech

Use advanced technology such as real-time analytics and AI to enable proactive decision-making

Have fully automated financial processes with quick turnaround times

Can close their books quickly and continuously

Superheroes leap ahead of the competition by:

- ✓ Taking a holistic ecosystem approach to transform finance
- ✓ Spending more time on strategy
- ✓ Eliminating mundane, time-consuming tasks
- ✓ Embracing automation holistically
- ✓ Enabling employees to focus on growth-driving activities

How to approach finance like a superhero
